PRESIDENTS MESSAGE

FEB 2002

Thank you Charles Sweet for your talk last month. Everyone attending learned a few things about railroad collectables. The value on some of the locks and chains and lids was surprising. Perhaps after the snow melts i will check out some of the old railroad grade above collinston. Some of the rare pear shape rail might still be there or who knows what else.

A different place for our February meeting is needed since our room at the fitness center will not be available this month. We will meet at the Redwood Multi-Purpose Center in the same old room on the north side of the building. This change id for **February only**.

Bill Brown will talk about internet trading at our February 28th meeting. Some of you are already quite experienced at this (please come and add your insight) but there are others like me who need an education about the possibilities and pitfalls of internet auctions.

It's still winter. since Groundhog Day, I have been looking for signs of spring. There have been precious few. The inversion wants to stay. There are no yellow crocus daring to peek out by the foundation. There are no flocks of geese in the pasture behind my house like usual for this time of the year. This is the season to reminisce. Sort thru your finds from last year, organize them, label them, trade, sell or prepare them for display.

Bring your display to our annual February competition. This is open either to items you have found last year, or it can be a collection of stuff you have accumulated over the years, for instance, your favorite medicine bottles, or your complete aluminum pop top collection. Written labels, or an explanation of what you like about your display, might add more interest. We will vote for our favorite display. Find of the Month competition will not start until March.

See You At The Meeting
Karen

DUES ARE DUE ALL MEMBERSHIPS NOT PAID AFTER MARCH MEETING WILL BE DROPPED!!!!
